

# PIG® Grippy® Adhesive-Backed Floor Mat

GRP36200 36" x 100', 1 roll

Hassling with rubber-backed floor mats or rental mats? Make the switch to the mat that sticks — our super-safe, adhesive-backed commercial absorbent runner. Perfect for grocery and retail environments.

- Now there's a whole new way to keep your floor safe — PIG Grippy Floor Mat is highly absorbent, very low profile, extremely durable and effortless to maintain
- Adhesive-backed floor mat stays exactly where you put it with no shifting, bunching up or flipping over; traps dirt, salt and moisture to keep it from being tracked around
- Sticks to most commercial floor surfaces including concrete, VCT, linoleum, ceramic tile, quarry tile and laminate flooring
- Proprietary adhesive sticks to the floor with a super-tight grip, but peels up easily
- Extreme durability that stands up to heavy traffic — even forklifts — to keep it on the job for up to 12 weeks
- Easy to use: roll out continuous walk-off coverage for entrances and walkways with no gaps, ripples or overlaps that cause slips and trips
- Easy to clean: you can sweep, vacuum, mop, use your shop/wet vac or run your floor scrubber over Grippy Mat and it won't budge
- Easy to customize: lets you create custom-size floor mats for transition areas and wet problem spots
- Highly efficient absorbent top soaks in moisture, wicks and spreads it evenly so the mat dries out quickly — ideal for entrances and anywhere you need maximum absorbency for water
- 36" x 100' regular mediumweight roll provides enough length to create continuous walk-off runners to stop dirt and moisture at the door
- Available in gray, black and tan to match your surroundings
- Absorbs a wide variety of liquids including water, oil and grease; leakproof backing prevents liquid from soaking through to the floor
- The thinnest commercial floor mat you can buy: no rippled edges to obstruct doors or create tripping hazards. ADA compliant for

- wheelchairs and walkers; carts and pallet jacks roll right over it
- Only a fraction of the weight of rubber-backed mats: no more back strain when you change your mats
- Completely eliminates rental mat hassles and can save up to 50% per year over rental contracts
- PIG Grippy Floor Mat has a 91% lower environmental impact than rental floor mats (Please [email us](#) for a copy of the Life Cycle Assessment report\*.)
- Tested and Certified by the National Floor Safety Institute (NFSI): when used as part of your floor safety program, high-traction surfaces such as PIG Grippy Floor Mat have been proven to reduce slip-and-fall claims by as much as 90%
