

VACMASTER® VP210

The **VACMASTER® VP210** Chamber Machine is considered the crossover in vacuum packaging. It bridges the gap between home use and commercial use, offering a strong, powerful machine that outperforms the standard home unit. This machine is perfect for a small catering business, independent chefs or anyone looking for a serious machine. The VP210 is a reliable, maintenance-free machine that will take the vacuum packaging experience to a new level.
