ALUMINUM BUN PAN RACK

Ships Unassembled

Because this product ships unassembled, you will save money on shipping and processing costs. Once you receive your tray rack, you will find assembly quick and easy.

Item #: _____ Qty #: _____

Model #: _____

Project #: _____

FEATURES:

- **Generous Storage Capacity**

The rails on this rack are spaced 3" apart, giving your foods plenty of room so air can properly circulate. It also has a 300 lb. weight capacity, so you can safely hold all of your cooked or prepared foods.

- **Six Cross Supports**

These supports pair with a curved top design and heavy-duty aluminum construction for the ultimate in sheet pan storage and transportation.

- **Ships Unassembled**

For economic savings on shipping costs, this product ships unassembled

- **Easy to Clean**

This product is NSF Listed, ensuring no food or spilled liquids get stuck in hard-to-reach corners.

Durable Aluminum CONSTRUCTION:

To ensure this product can withstand use in your busy commercial kitchen, it is made with a durable, lightweight aluminum material. This material also means that you don't need to worry about the sheet pan rack rusting.
