# Heavy-Duty Push Broom, 24.4", Soft/stiff, Red

Designed from US food and beverage manufacturer feedback, the Heavy-Duty Push Broom has key features that those with large areas to clean will love. The broom head is heavier, making it easier to maintain contact with the floor during sweeping. The angle cut of the bristles also helps prevent skipping or hopping during long pushes across production flooring. Flared bristles reach into corners and wall junctions to make cleaning easier and more thorough. With more densely packed stiff and soft bristles to sweep both fine and larger debris, the Heavy-Duty Push Broom will become an indispensable part of your sanitation regimen.
